I just wanted to take this opportunity to thank a few people that made the day run smoothly. First and for most the host Princess Helena College for use of their facilities.

Second the Judges for the even wise advise before, during and after the event.

Next Lady Paramount for not only running through the presentation, but also pitching in with the running of the event.

Finally all the club members that were able to help out during the day...

I hope that you enjoyed the shoot and look forward to seeing you on the shooting line next year.
