HINWORTH JUNIOR ARCHERY CLUB

ISSUE 2 - MARCH 2016

A HIGH FIVE FOR OUR JUNIORS

Hinxworth's Junior Archery Club was incorporated with Archery GB in May 2012 although there have always been a substantial number of Juniors registered since we began in 1999. Founding the separate junior section means that the affiliation fees are kept as low as possible so as to give our under 18's the best possible archery coaching and training at a very affordable cost.

We registered 17 Juniors aged 10 to 17 with Archery GB during 2015-2016

JUNIOR NEWS Our Junior team were outright winners of the Hertfordshire Junior Summer League in 2015 with 5 wins from five matches. The fact that Hinworth managed to field a team every month shows how keen our youngsters are to take part and their perseverance has paid off. Well done to all. With the seniors also winning the Hertfordshire Senior Summer League it was a good year for Hinworth all round.

H.A.C TO STAY IN HINWORTH. A new acceptable Hire Agreement was brokered by Geoff Burrows and the parish council's Richard Cobb which enabled us to sign up to this more respectful and dignified document. The previous parish council "draft" designed for one off events having been earlier rejected by the HAC committee.

"OUR IZZY" Isobel Wayman won the **British Junior Indoor Compound Championship title** in December 2015. She now joins senior clubmate Neil who is Britain's Gentleman Compound Champion. A great achievement. Well done

HINWORTH'S NEIL BRIDGEWATER has been chosen to represent **Great Britain** at the **2016 World Target Archery Championships in Shanghai** in April and the **2016 European Champs in May in Nottingham**. We all wish Neil the very Best of British.
